

ALTASCIENCES

OUR CORE VALUES

In working seamlessly together and focusing on a collaborative team environment, **Altasciences** transforms the traditional outsourcing paradigm by simplifying and streamlining solutions to offer an integrated/synchronized approach to CRO and CDMO services. At Altasciences, we take our core values to heart, and ensure that all our activities, both external and internal, reflect the high standards we have set for ourselves. We are proud of our company culture and believe that our values, our collaboration and sense of unity help us work better together and better serve you.

OUR CORE VALUES

RESPECT

We are open to differences of opinions and value respectful communication. We treat each other, our customers, participants in our studies, and the research animals in our care with dignity.

QUALITY AND EXCELLENCE

We provide services and solutions of the highest quality, and pride ourselves on challenging the status quo. We strive to exceed expectations by truly giving our best at everything we do.

INTEGRITY

We are honest and uphold strong moral principles. We conduct our business with transparency and high ethical standards.

CUSTOMER FOCUS

We actively partner with our clients. We listen, remain accessible, deliver on commitments, and maintain open channels of communication to build and nurture a lasting relationship based on trust.

EMPLOYEE DEVELOPMENT

We provide leadership, encourage professional development, recognize individual and team contributions, and offer a stimulating, safe working environment.
